Horrible sounds

15 0 1

Chapter 1 by Pac Man

I woke up that day with horrible sounds coming from my inside me. It was my brother's 6th birthday party at chuckie cheese. This worst place I thought to myself, I couldn't make my Mother go home for this I thought. So I went through the day with the horrible sounds. It seemed so happy and lively, a state better than I'm in. Every time I looked at the greasy pizza's or the cold slivering drinks I felt sicker. And just then as they asked me to eat something I felt horrified. Fortunately I convinced my Mother I wasn't hungry. My younger brother on the other hand forced me to play with him, as I climbed through the pipes of an extraterrestrial stench that made my nose cry. It put my mind off it for awhile until we got to the end of it, the slide. "No you can't!" I thought to myself. "But you can't look chicken in front of toddlers!" So I slithered down the sickening pipe. And at the end of the slide was the start of fun laughter from children around me. That's when it hit me and I went into shock realizing that the horrible sounds now have gone deeper into my body.
